Celebrations

A fantastic well done to our Sharnford Superstars: Dolly, Grace, Dylan and Eloise for demonstrating our Christian Values.

Well done to Emily and Martha for their achievements outside of school.

This Week's Worship...

Looking in

Looking Out

Looking Up

Wednesday's worship was led by Open the Book who continued the story of Moses. They spoke about how it is brave to support others who may need our help and to always be kind.

"I am the vine and you are the branches. If you stay joined to me, and I to you, you will produce plenty of fruit." John 15:5

Children in Need

Thank you to everyone who donated for this super charity - we raised over £74!

Anti-Bullying Week

Next week is anti-bullying week and we will be doing some activities in class based around this year's theme of

'Break the Silence'.

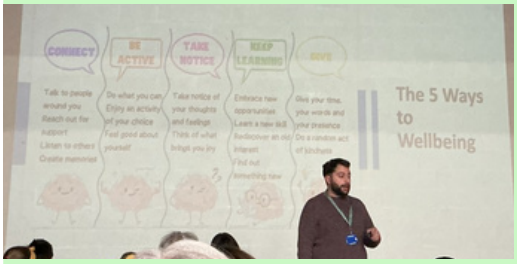
To start the week we'd love to see **everyone in their odd socks on Monday 16th** to show that all differences are to be celebrated!

Forest School

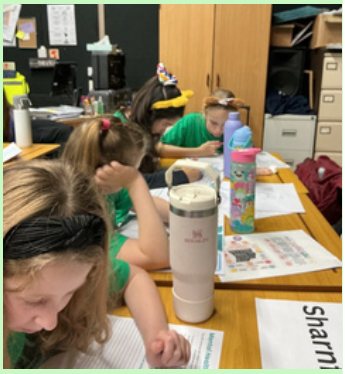
Little Acorns Forest Schools are back with us this term. This week Y1/2 were out all morning and some Y3/4 groups in the afternoon. Just like last week, the children had a super time and made friendship bracelets, made poppies, played hide and seek and built some fabulous dens!

Wellbeing Ambassadors

This morning, Sunaina, Ivy, Hope and Lyra proudly represented our school at the Wellbeing Ambassador Conference held at Thomas Estley High School. The event, expertly organised by the South Leicestershire Schools Sports Partnership, gathered young leaders from across the region to learn how to champion positive mental health and well-being within their own school communities.
The conference combined informative presentations with interactive workshops. The day began with key presentations in the main hall. A lead speaker introduced the fundamental philosophy that "Prevention is better than cure", setting a proactive tone for the day.



This was quickly followed by an in-depth look at "The 5 Ways to Wellbeing", providing the ambassadors with actionable steps—Connect, Be Active, Take Notice, Keep Learning, and Give—to share with their peers.



After the initial assembly, the students broke off into workshop sessions. Our Sharnford ambassadors got straight to work at their collaboration table.

A highlight of the morning was the creative workshop task. Following an inspirational talk about using creativity for positive messaging, our team was tasked with collaborating to "Design a digital wellbeing superhero." Using the examples given—such as "Captain Balance," who knows when to put the phone down, and "The Sleep Protector," who reminds children to switch off devices before bed—the Sharnford team worked hard together, actively writing and drawing their ideas. They focused on creating superheroes that help children navigate the online world safely and maintain a healthy digital balance.

The morning concluded with a high-energy gathering back together with all participating schools. As a final act of collective energy and commitment, all the new Wellbeing Ambassadors raised their hands together, ready to take their newly acquired knowledge and superhero ideas back to Sharnford Primary School.
