

Dear parents and carers,

For homework this half-term, the children have a choice of activities that they can choose to complete each week. The children can do these activities in any order.

As part of our weekly homework, we ask children to continue to read at least three times a week, practise their times tables on TTRockstars and complete their spelling sheet.

Homework will still be due every Friday.

Please see the page below for the list of activities available as homework.

Please let me know if you have any questions or need any support.

Kind regards,

Mr Gray

### Food Technology

Cook or bake a traditional dish from a European country. Bring it in for the class to share or take pictures of you making it.

### Hello from Sweden!

Write a postcard from Sweden including what you have seen, activities you have done and food you have eaten.

### Mountain Maths

Find out the heights of different mountains or mountain ranges in Europe. Put them in ascending order. Create some calculations linked to these

### Pop Quiz

Create a quiz about Europe.

### What a Scientist!

Find out about the fascinating scientist, Galileo Galilei and share your facts. You could create a fact file, poster, PowerPoint or presentation.

<https://www.coolkidfacts.com/galileo-facts-for-kids/>

### Research: Your choice!

Make a travel poster to advertise a country in Europe, detailing places of interest and all relevant information you can find.

### The Tourist Shop

Create a tourist shop with souvenirs linked to Europe- price them up and create word problems about them.

### Fantastic Facts!

Create a fact file about Turkey including as much information as possible such as:

Key physical features such as mountains, rivers and mountain ranges.

Tourist attractions made by people or natural features

Key facts: Capital city, population numbers and so on.

### Engineering and Construction

Make your own model of a European landmark. For example The Leaning Tower of Pisa, Big Ben or the Eiffel Tower.
