Background:

The Government has provided funding until July 2023 to provide schools with new, substantial funding to make additional and sustainable improvements to the quality of the physical education [PE], physical activity and sport offered through their core budget. All schools receive a lump sum of £16,000 plus an additional £10 per pupil. This funding is being jointly provided by the Department for Education, Health and Culture, Media and Sport. It is allocated directly to schools so they have the flexibility to use it in the way that works best for their pupils to improve the quality of sport and PE. The premium is used to secure improvements in the following five key indicators:

1. Increased confidence, knowledge, and skills of all staff in teaching PE and sport.
2. Engagement of all pupils in regular physical activity.
3. The profile of PE and sport is raised across the school as a tool for whole school improvement.
4. Broader experience of a range of sports and physical activities offered to all pupils.
5. Increased participation in competitive sport.

The sport funding can only be spent on sport and PE provision in schools. Additionally, OFSTED will play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase.

Under the Quality of Education, Ofsted inspectors consider:

- Intent - Curriculum design, coverage and appropriateness
- Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment
- Impact - Attainment and progress

To ensure we are covering all three of these bases, our report is structured with the same three headings also including next steps. Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that they should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

We are proud of the PE curriculum and sporting opportunities that we have on offer at Sharnford CofE Primary School. We believe the purpose of physical education is to be inclusive and achievable for all. We hope through high quality teaching, we inspire and motivate children to be active in the lives, aiding them to become physically confident through the teaching of key fundamentals. We encourage experiences of a range of activities that help children to understand the importance of living a healthy lifestyle and partaking in regular exercise.

Children should have access to opportunities in which they can apply the skills they have learnt in competitive situations, either individually or a part of a team. In result of this, children have the opportunity to learn key values that are pertinent in other areas of their lives such as teamwork, resilience, respect, determination and fair play that can be taught, promoted and applied in an active way. Additionally, we believe that PE plays a key role in educating students

holistically. Research supports the significance of physical development in an education setting. The healthy, physically active child is more likely to be academically motivated, alert and successful.

We recognise that quality physical education teaching is essential in helping to develop our pupils motor skills, physical fitness and understanding of concepts that foster lifelong healthy lifestyles. Therefore, our developed curriculum is learning with the **head, heart and hands**.

Our PE Curriculum Overview- Learning with the Head, Heart and Hands

Curriculum Overview

Intent

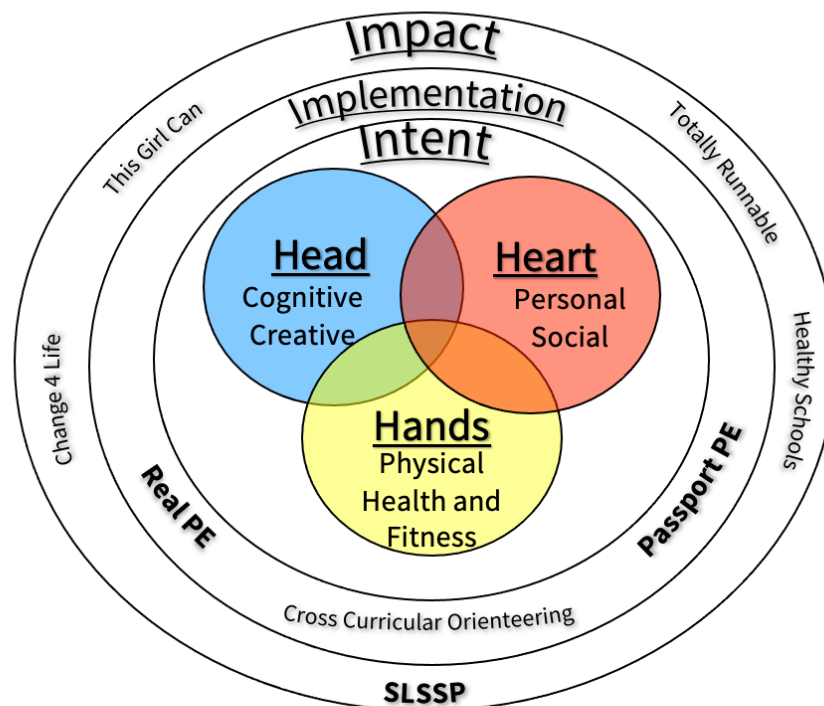

We intend for the Physical Literacy Curriculum to be accessible and achievable for all.

We focus on high quality teaching of physical literacy that inspires and motivates all pupils to challenge themselves both physically and cognitively. Children are given opportunities to explore their own values and set aspirational goals.

We define this as learning with the head, heart and hands. These strands are embedded within our 5 key pillars of physical literacy which are: play, physical activity, physical education, sport and active learning.

Our aim is to have a curriculum that enables children to master both the physical and theoretical knowledge of physical literacy which underpins a healthy and active lifestyle.

By the time children leave Year Six and progress onto Secondary School, they will have mastered basic physical competencies (agility, balance and coordination), have built confidence in their own abilities and have created the foundations to have a life long love of activity which will feed into the other aspects of their daily lives.

Impact

Our curriculum is designed so that there is a clear progression of learning throughout the school which is assessed termly. Children are supported in their understanding through the introduction of specific vocabulary year on year which is mapped to each sport.

We provide opportunities to develop and broaden the foundation of learning that takes place in school through sports day, competitions and clubs.

Children are provided with a variety of competitions (intra and inter) and clubs throughout the year, to embed the key fundamental movements learnt which are rooted in agility, balance and coordination, as well as the skills of teamwork, respect, self-belief, determination, passion and honesty.

Competition is positioned to bring out the best in pupils and spur innovation.

Implementation

We have adopted the Real PE and Passport PE schemes to implement high quality teaching which supports the development of motor competence alongside carefully identified and sequenced knowledge of activities, sports and healthy competitive participation. Children will access these lessons two times a week.

Teachers carefully align the needs of pupils with ambitions of the curriculum to make effective pedagogical decisions. Careful planning of early movement and developing the knowledge of leading healthy, active lifestyles starts in the Early Years of Learning (EYFS). We understand that pupils are best able to learn and do more in PE when they have access to high quality instruction, practice and feedback.

Review of Last Year's Spend and Key Achievements (2022-2023)

	Activity/Action	Impact	Comment
Indicator 1: Increased confidence, knowledge, and skills of all staff in teaching PE and sport.	<ul style="list-style-type: none"> Staff implementing a new scheme within their PE lessons (Passport PE) successfully. New staff receiving training of a new scheme of PE which focuses on all areas of physical literacy as well as aiding to embed key values that develop character. Whole school staff meeting on curriculum development and assessment. Whole school meeting identifying a learning nutrition (learning behaviour) we wish to see within lessons and across the curriculum. 		<ul style="list-style-type: none"> To improve teachers knowledge and skill of teaching different sports and differentiating them appropriately to ensure each child is challenged. For the PE lead to complete the PE specialism course. Direct staff to online training and activity suggestions provided by TOP Sportsability to aid delivery of inclusive physical education. To improve teachers' knowledge and skill set of how to incorporate active learning methods into their core subjects such as reading, writing and maths, resulting in children engaging in more physical activities throughout the day. We would like to buy and implement Tagtiv8 next year to support opportunities for active cross curricular learning.
Indicator 2:	<ul style="list-style-type: none"> All children have continued to receive their full time (two hours a week) of physical activity within the school setting. KS1 have completed their daily mile when the weather permits. Increase of a variety of equipment to support an active lifestyle during breaks and lunchtimes. We have bought a variety of fine and gross motor equipment for EYFS to facilitate more opportunities to embed physical literacy across the curriculum in both structured and non-structured times. Children are increasingly active throughout the day and using physical activity to enrich their learning, independence and social moments with peers. 		<ul style="list-style-type: none"> To continue to develop playground leaders to run activities during lunchtimes. To continue to develop the Sports and Wellbeing council to run events and become pupil voice for the school. Another teacher within the school will support with this aspect and ensure its consistency.

To train students in Year 5/6 as Playground Leaders.	Lunchtime Supervisors and KS1 pupils- The Playground Leaders will deliver active games to students during lunch times. The Lunchtime Supervisor will oversee the sessions and deliver active games to the KS2 pupils.	<p>Key indicator 2 - Increasing engagement of all pupils in regular physical activity and sport.</p> <p>Key indicator 3: Raising the profile of PE and sport across the school, to support whole school improvement.</p>	<p>More pupils meeting the physical activity guidelines. Children are more active at lunch times. 25 KS1 children regularly attend the lunch time club the Playground Leaders run. The lunchtime supervisors played physical games with around 20 KS2 children each lunch time.</p> <p>The lunchtime supervisors have created zones to ensure a variety of activities can take place during lunch times. The school is committed to training Playground Leaders next year.</p>
To train 4 Well-being Ambassadors in Year 5 /6 to promote the 5 Ways to Well-being and Internet Safety. Being Active is one of the 5 Ways to Well-being.	Pupils- to engage pupil voice and use students' leaders to promote a healthy and active lifestyle to their peers.	Key indicator 3: Raising the profile of PE and sport across the school, to support whole school improvement.	The ambassadors have delivered lots of initiatives to promote active and healthy lifestyles in school. They have created worry boxes in each class; students can write down

			<p>their worries and drop it in the box. The teachers will monitor the boxes and address the children's concerns.</p> <p>They ran lots of activities during Children's Mental Health Week which included a mindful walk. They have continuously promoted physical activity to support mental well-being.</p> <p>The school is committed to engaging pupil voice and will train Well-being Ambassadors next year.</p>	
<p>To participate in Active Travel Month. During October 2023, students and families will be encouraged to walk, cycle or scoot to school. A wallchart will be given to every class to record the number of children actively travelling to school. A trophy will be given to the class that actively travelled the most.</p>	<p>Pupils- as they will take part.</p>	<p>Key indicator 2 - Increasing engagement of all pupils in regular physical activity and sport.</p>	<p>The school continues to promote active travel through school newsletters and social media. The school works closely with the SLSSP and the Leicestershire County Council Officer to promote Active Travel, including encouraging parents to park and stride.</p>	

<p>To take part in the Move It March project. Each child will be given a physical activity tracker to fill out during March 2023. Certificates and prizes will be awarded to children who achieve physical activity milestones (250 active minutes=Bronze, 500 active minutes=Silver, 750 active minutes=Gold and 1000 active minutes=Platinum). Pupils will also be given points for achieving milestones and the most active class will win a trophy.</p>	<p>All pupils-as they will be encouraged to take part. All staff will be encouraged to take part.</p>	<p>Key indicator 2 - Increasing engagement of all pupils in regular physical activity and sport.</p> <p>Key indicator 3: Raising the profile of PE and sport across the school, to support whole school improvement.</p>	<p>We continue to promote physical activity outside of school through the SLSSP holiday resources, which were sent to all parents and students. The SLSSP produced resources to inspire children to be active and healthy over the Christmas, Easter and Summer holidays.</p> <p>The school will continue to promote physical activity through active lesson breaks, active lunch time and PE.</p>	
<p>To take part in the SLSSP Big Moves project designed for EYFS/KS1 pupils who lack fundamental movement skills. A coach from the SLSSP will deliver 6 sessions to 15 targeted pupils.
