HOMework

English/Geography Write an adventure story featuring a river. Make sure it has exciting events and language to keep the reader engaged throughout.	DT/Geography Design and make a 3D model of a river, from source to mouth. Can you label it with its different features too?	Science Try growing a plant in an unusual place (in a dark cupboard, in the freezer, under your bed) – record what happens.
Science Split your page in half. On one side write a list of vertebrates and on the other write a list of invertebrates. You might want to do this on a computer and add pictures too!	History Research and present the Anglo-Saxon timeline. Make sure to add colour and pictures too.	English/History You are an Anglo-Saxon who has been to battle. Write a recount telling all about your day. What happened? Who was involved? Were you victorious? Don't forget to say how you're feeling! Remember a diary is like talking to your best friend. You could even create stained paper using a teabag!
Art Find some jugs, bottles, jars, bowls etc. at home and arrange them in various compositions. Create your own viewfinder, and use it to observe and draw parts of the composition. Use whatever medium you wish (pencil, paint, oil pastels, pen etc.)	DT/Science Using a box/tub, make a habitat for an animal and draw a picture of that animal to put inside. Does it have all it needs to survive?	RE Tell the story of Noah from Genesis using a comic strip format, with pictures and sentences. Why did he build the ark? What went into the ark? How did Noah know that the water was drying up?
Weekly Reading Read at least 3x weekly. Keep a record in your log and remember those signatures.	Weekly Spellings Learn your weekly spellings.	Times Tables Practise your times tables.

Times Tables

How many times tables do I need to learn?

10 x 10 = 100
11 x 10 = 110
12 x 10 = 120
3 tables to learn

11 times table
11 x 11 = 121
12 x 11 = 132
2 tables to learn

12 times table
12 x 12 = 144
1 table to learn

If you already know that $8 \times 4 = 32$,
you also know the answer to 4×8 .

The 1 and 10 times tables (and many of the
11 times tables) are easy to work out,
so that means there are even fewer to learn!

Y6 SATs meeting
for
parents/carers
will be in Feb
2027.

Assessments:
We will tell you when they
are happening and help the
children prepare.
We keep this as low key as
possible.

- The children are to keep water bottles by the sink.
- They have access to a drink at all times
- Must be water or flavoured water in the classroom (cups are free to use if they don't have one)
- Juice is for lunch and break times.

Emails

We can be contacted via the office email.

In Person

We are usually outside the gate each morning/afternoon – if you need to see us in private please make an appointment through Mrs Proctor.

Quick Notes

These can be dropped to us via your child.

COMMUNICATION CONTINUED

Your Concerns

Please come to us if you have any concerns about your child – academically or socially – the sooner the better!

Our Concerns

If we have concerns about your child's progress or social development we will make a point of asking for a meeting so we can have common targets to work towards.

HOW YOU CAN HELP...

- Encourage reading – at least 10 mins every other day
- Ensure they arrive at school on time (8:45).
- Let us know if there is a reason your child can't do PE
- Correct school and PE uniform

- Support their homework tasks (topic based, Maths, Times tables, spellings)
- Curriculum support - books, CGP, online games, BBC bitesize...
