## MESSAGE FROM MRS BOYD-HOPE

I would like to thank our staff, our pupils, our families and the Trust for their support, positivity and hard work over this last week while we had our Ofsted inspection. Although we will not receive our report for a few weeks, the inspectors loved interacting with our pupils and were very complimentary about our school.  
Wishing you all a wonderful weekend!

## This Week's Worship...

Looking in

Looking Out

Looking Up

Open the Book led Wednesday's worship and re-told us the story of Jesus in the temple. We listened to how Jesus, even at a young age, was telling others about the importance of belonging and family.

*"I am the vine and you are the branches. If you stay joined to me, and I to you, you will produce plenty of fruit." John 15:5*

## Litter picking

We were so fortunate on Monday to have the Wombles come to visit us! The Wombles In Life Education took time to show us the huge range of litter they have found, from WW2 helmets to the usual range of rubbish people dump out of their cars. They spoke about the dangers such rubbish poses to our brooks, our roads, and the local wildlife. They finished by reminding us that cleaning up our litter is our responsibility and one we should take seriously. A super visit with a very important message that our Eco Sparks Team will be reinforcing in school. Thank you!

We currently have a [Higher Level Teaching Assistant](#) vacancy at Dunton Bassett Primary School.
