

Sharnford Primary School

Brain Builders homework

PSHE

Think about how you have changed and improved this year. What new things have you learnt that you didn't know last year both in and out of school?

What are you looking forward to doing in the next school year?

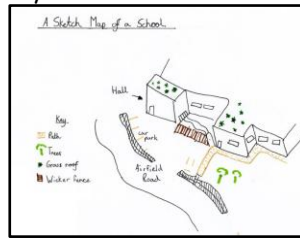

Geography

Create your own sketch map of our school to show the main human and physical features.

Your map must include:

- a title
- key

(You might choose to complete this later in the term when we have covered it in class)

Literacy

Tell me about a day trip or visit that you have taken (this could be our music trip in April).

Tell me about where you went, when you went, who you went with and what you saw.

Music

Use the following website - bbc.co.uk - Bring the noise website to explore music through listen and layer, feel the beat and make some noise.

<https://www.bbc.co.uk/games/embd/bring-the-noise?exitGameUrl=http%3A%2F%2Fbbc.co.uk%2Fteach%2Fbring-the-noise%2Feyfs-ks1-music-play-it-bring-the-noise%2Fz4sq92p>

Summer Term

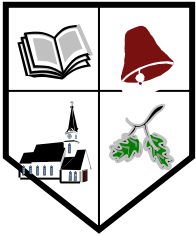

Art

Create your own piece of art work using dots in the style of 'Creation of life,' by Danny Eastwood.

You could use anything you like to make the dotty art work (cotton buds and paint work well)

Sharnford Primary School

Brain Builders homework

Science

Take a walk with your family or in your garden. Try to identify and name as many plants and animals that you see. You could draw, photograph or create a list.

The following tick sheets might help:

https://treetoolsforschools.org.uk/activitymenu/?cat=animal_ticksheets

RE

How do you care about the World?
You can record your answers in writing, by drawing or even taking photographs.

PE

Set yourself a jumping challenge.
How far can you jump in one leap? Can you improve your distance? Think about the type of jump you choose, whether to take a running jump, whether to jump from 2 legs or 1, how to use your arms, where to look...

Practise every day for a week and record your scores?
Do you improve?
