## MESSAGE FROM MRS BOYD-HOPE

It's been a busy time cooking for many classes this week, and we've been impressed with the skills the children have when it comes to food preparation and knowledge. We've also seen some super writing and phonics work happening, as well as some fabulous maths. It's lovely to see how well the children are supporting each other in and out of the classroom - I'll share some comments from them later in the newsletter. Have a lovely weekend.

## Celebrations

A fantastic well done to our Sharnford Superstars: Corey, Grace and Eloise, and well done to Elsie, Antos, Freya and Tallulah for their achievements outside of school.

## Young Voices

Our Young Voices choir is well underway as we get ready for next January! Mrs Tithecott is doing a brilliant job of leading us through the songs - thank you to all who showed interest and signed up so we can be part of this huge event!

# SLSSP Small Schools Pokemon Cup

Miss Ward was incredibly impressed with our football team on Thursday and commented on their teamwork, sportsmanship - and their superb attacking and defending! Well done all; we're very proud of you!

## Hinckley Foodbank

We were fortunate to have volunteers from Hinckley Foodbank come and talk to us about the importance of foodbanks in our area, and how much they need our help and support.

Thank you so much for the donations we have had so far - our table is looking far healthier!

## This Week's Worship...

Looking in

Looking Out

Looking Up

This week we have been focusing on the theme of friendship. Mrs Grice led Wednesday's worship and helped us to consider what makes a good friend - and that even the best friends can fall out - and make up again!

*"I am the vine and you are the branches. If you stay joined to me, and I to you, you will produce plenty of fruit." John 15:5*

# Pupil Questionnaire

Last week we asked the children for their comments about school, how they felt and what could be improved upon. It was really fascinating to read, and although we can't make a bigger hall or make our field bigger, we'll certainly see what we can do!

In their words, some things the children have said they like....

## What they think we can do better

KS1

- I want more lessons.
- I want more playtime.
- Once a week non school uniform
- Have more discos

KS2

- More laptops and charges.
- More music lessons
- Probably extend the hall for more space or have more options for food. Have bigger passageways or more fundraising. Maybe bigger classrooms, toilets and chairs. Or more food to eat.
- More singing worships
- The food so could bring back the burgers or have a bit more chicken wraps
- A better football pitch
- I think pupils should get to help decide where we sit in class and help choose the order off the lessons
- I would not really change anything about school because its fun and a great place but if I had to I would add more salad at the dinner place where they serve food as some people like to be healthy and some people really like salad so I think it would be a nice adjustment

## Hello Yellow

We will be fundraising for Hello Yellow on **Tuesday 7<sup>th</sup> October** and asking the children to bring in £1 and dress in yellow/non-uniform. Hello Yellow is a charity that supports children with their mental health and we will be using part of the day to focus on this.
