MESSAGE FROM MRS BOYD-HOPE

A very blustery week this week and Autumn is certainly on its way! As the weather is so changeable, please ensure the children have coats with them every day so we can get outside even when the weather tries to stop us!

Please continue to check the diary dates for events so the children don't miss out and you know when important dates such as parent/carer evenings are happening.

We hope you have a lovely weekend!

Celebrations

A fantastic well done to our Sharnford Superstars: Piper, Stevey, and Dylan, and well done to Henry, Finn, Grace, Olivia, Penny and Eloise for their achievements outside of school.

Celebrating our successes!

Throughout our school, we wish our children to flourish and succeed in all aspects of school life - from the values they uphold in everyday life, to recognising the strengths each and every one of them have.

However, we also know that children and staff work incredibly hard towards Government expectations in terms of EYFS Good Levels of Development, Y1 phonics, the Y4 Multiplication Check and Y6 SATs. Please see below for our super results across many years groups this year in these statutory assessments.

A huge well done to both children and staff!

Statutory Assessments	Sharnford Results 2025	National Results 2025
EYFS Good Level of Development	60%	Data not yet available
Y1 Phonics	87.50%	81%
Y4 Times Tables Check	23.5 average score	20.6 (average score from 2024, awaiting 2025 averages)
Y6 SATS		
Reading	100%	75%
Writing	82%	72%
Maths	82%	74%
Grammar, Punctuation & Spelling	100%	73%

This Week's Worship...

Looking in

Looking Out

Looking Up

This week we have been looking at our Christian value of perseverance.

Wednesday's worship was led by Reverend Lambert

He told us a story about a grumpy judge who wouldn't help others. However, one lady persevered, no matter what, and got what she needed in the end. We had a fabulous time singing with him as he had the girls and boys singing different parts of the song - and it got faster and faster each time! It certainly kept us on our toes!

**"I am the vine and you are the branches.
If you stay joined to me, and I to you, you will produce plenty of fruit." John 15:5**

Parent / Carer Survey

Thank you to those parents/carers who were able to complete our survey. Each half-term the Trust will be sending out surveys so we can gather your views throughout the year. We thank you for your support in this.

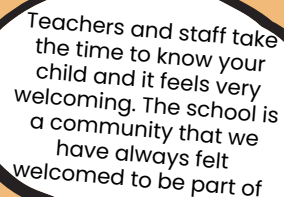

We had many kind comments about the school, and also areas which need developing.

My daughter loves her school and her teachers. We feel she is seen and heard and is supported well with her learning. Our interactions with staff is always pleasant. We are thankful for a small community school and will continue to support where we can.

Community feel.
Teachers are lovely!

Teachers and staff take the time to know your child and it feels very welcoming. The school is a community that we have always felt welcomed to be part of

Areas of Development:

- Ensuring communication to parents/carers around progress is clear.
- Increase participation in sporting events.
- Recognition for consistent good behaviour

Join the Fun for Active Travel Month 2025!

We're excited to invite you to join our school in signing up for Active Travel Month, a fantastic initiative happening throughout October 2025.

The program is all about encouraging sustainable travel to school and making the areas around school gates safer for everyone. It's a great opportunity for all pupils, from Foundation to Year 6, to get involved and make a positive impact. Our staff will be getting involved too!

Trackers will be available in class in the coming weeks to allow children to log their activity!

Please encourage your child to participate.
